

Patricia Dagenais
Principal

Over the years LCCHS has impressed upon you that you are loved, you are God's gift and God looks upon you and says in the words of Og Mandino "My pride in you has no bounds. You are my ultimate creation, my greatest miracle, one who can adjust to any hardship, any challenge, one who can change a prescription not by instinct but by thought into whatever action is best for himself and all humanity.

But you have the power of choice- you can choose failure - despair or success and happiness. The choice is yours. Remember these laws of happiness: Count your blessings - go that extra mile - use wisely the power of choice. Do all these things with love and remember you are the greatest miracle in the world.
